CLASSIC™ STAND MIXER

HIGH QUALITY FINISH AND DURABLE DESIGN
The die-cast metal construction of the KitchenAid® Stand Mixer makes it sturdy, durable, reliable and timeless.

PLANETARY MIXING ACTION The 59 point mixing action gives optimal bowl coverage for efficient and a thorough incorporation of ingredients.

DIRECT DRIVE MOTOR Delivers quiet and efficient operation to ensure optimal mixing of ingredients.

VARIABLE 10 SPEED Performs a variety of tasks and will easily handle heavy doughs or batters.

TILT-HEAD DESIGN Allows easy access to the mixing bowl and to attach bowl tools with minimal fuss or interference. Locking the head into place during operation keeps the beater-to-bowl contact close and efficient.

POWERHUB Selected from over 10 attachments to turn your mixer into a complete culinary centre. Prepare your favourite recipes from pizza, pasta, salads and flavoursome sausages with ease.

BRUSHED STAINLESS STEEL BOWL The 4.3L compact bowl allows for quick and easy ingredient incorporation. Is dishwasher safe for easy cleaning.

MADE IN THE USA SINCE 1919 KitchenAid® continues to manufacture in Greenville Ohio.
