L61GW

L61GW-60cm Oven With Gas Cooktop

Large 71 litre capacity with deep interior design

- Five oven functions including closed door grilling
- Fan cooled seamless cavity
- Removable glass window and door for easy cleaning
- Stainless steel fan filter keeps the fan clean from oil splatter
- Manual 120 minute end of cook timer
- Durastone enamel cavity is simply easier to clean
- Fan cooled double glazed oven door
- Gas cooktop with four burners which include a triple ring wok burner
- Simmer burner for low heat cooking
- Automatic electronic ignition (240V)
- Enamel steel trivets including a wok trivet and small pan trivet
- Easy to clean one press piece stainless steel cooktop surface

DOOR AND OVEN COOLING

The cooling system is designed to minimise heat transfer to protect the kitchen cabinetry by circulating a cool air curtain around the oven.

EASY TO CLEAN

The exclusive "easy to clean" durastone cavity makes cleaning operations much easier thanks to the perfectly smooth surface.

Optional Extras

- Splashback with matching handle
- Rangehood
