

LIKE ONE OF
GRANDPA'S OLD YARNS,
OUR OVENS GO ON AND ON.
AND ON.

FREESTANDING OVENS. VERY, VERY RELIABLE.

600mm, 540mm freestanding and elevated stoves

Westinghouse

FEATURES

DESIGNED WITH BETTER RESULTS IN MIND

Westinghouse – Australia's favourite cooking appliance brand* – offer Australian families the widest selection of cooking solutions. Our freestanding ovens have generous capacities, are available in gas or electric and come with a number of hob styles.

The Westinghouse freestanding oven range includes separate grills for added practicality. We also offer a variety of durable and low maintenance cooking surfaces and finishes. So, take a closer look at our vast range of practical features – all designed with your needs in mind.

* GfK MAT June 2007

LARGE CAPACITY OVENS

Our freestanding ovens allow you to cook large meals easily with a generous 80L gross capacity and up to a huge 66L of usable capacity.

SEPARATE GRILLING COMPARTMENT

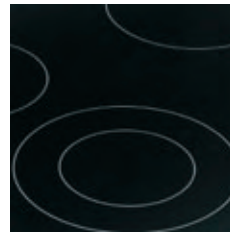

All our models feature a separate grilling compartment for added practicality. You can bake and grill at the same time, and it's easier to keep the oven cleaner.

EASY CLEANING

Enamel surfaces are easy to maintain, and formed runners^ on the inside (instead of racks) means easier cleaning.

^ Selected models only

CERAMIC COOKTOP

Ceramic cooktops provide a great looking durable glass surface, which is easy to clean and maintain.

TRIPLE RING WOK BURNER

On selected gas models, a high power triple-ring burner allows you to stir fry like a professional.

PROGRAMMABLE TIMERS

With 3 simple-to-operate buttons, you can automatically set the oven to turn on or off, or simply use the clock as a timer.
