

**Myhill by Rogerseller Sink  
Mixer with Pull Out Spray  
3606012601 — Chrome**

Other finishes available

**Please note**

- Connect hot and cold flexible hoses to isolation taps
- Do not twist, kink or stretch flexible hoses (minimum bend radius 45mm). Hand tighten flexible hose connecting nuts, then apply quarter turn with a spanner.
- Supply pipe work must be flushed clean before installation.
- This is only an installation guide. Rogerseller recommends having the product on-site before commencing rough in.
