BLANCO

Model Code

BRU53X – 53cm, stainless steel

BRU70X – 70cm, stainless steel

Description

High Powered Motor Undercupboard Rangehood

Optional

ACK62260 (pack of 2)

Warranty

BLANCOCare™ 2 years parts & labour

Features

3 Speed

Timer

Clean Air function

Filter saturation alarm

Stainless steel aesthetic

1 x 20W Halogen Lights

650m3/hr Air Movement

1 x Aluminium Grease Filter

Can be ducted or recirculated

Benefits

Offers a variety of fan speeds to suit the type of cooking

Rangehood will continue to function on the chosen speed for 15 minutes. After which the rangehood will automatically switch off.

Function can be activated once the rangehood has been turned off. Rangehood will 'activate' for 10 minutes every hour to help reduce lingering cooking odours (after coming is complete).

Display will indicate when aluminium filter and carbon filter need to be replaced.

Provides a modern stainless steel aesthetic – adding to the appeal to your kitchen.

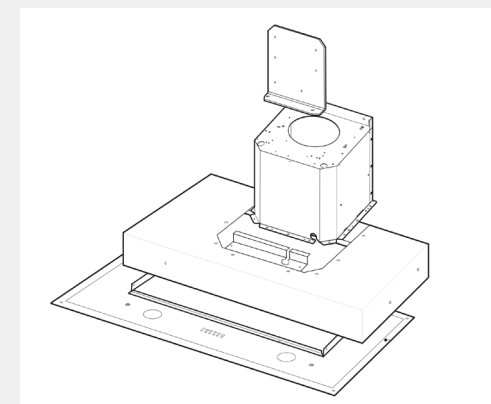

Brighter and clearer cooking space

Cleaner air and reduction of condensation, protecting walls and cabinets.

- Easy to clean, can be simply hand washed or thrown into the dishwasher.
- Lug design make sit easy to remove filters.

Flexibility of installation
