- Pannarello to froth milk as you like
- Ergonomic in day to day operation

Everyday use

- Long-lasting premium materials

PHILIPS

Saeco

sense and simplicity

Highlights

Pressurised Crema filter

This special crema filter guarantees a long lasting delicious crema

Ground coffee and Easy Serving

For your convenience you can choose between ground coffee and Easy Serving Espresso (E.S.E.) pods.

Pannarello

With the pannarello you can froth your milk exactly how you like it. Just dip the pannarello

in the milk and stir slowly in a circular motion. Froth the milk for as long as you want to create more or less foamy milk.

15 bar pump

High pressure ensures that the entire aroma of the ground coffee is always fully extracted

Long-lasting premium materials

The Philips Saeco Manual Espresso machine features high-quality and durable housing material.

Cup warmer

This feature not only allows you to store your espresso cups and glasses directly on the espresso machine, it also pre-heats them, releasing the aroma even more and guaranteeing a long-lasting crema

Ergonomic in day to day

For refilling the coffee powder or water, or emptying the filter or the drip tray, all compartments are directly accessible for maximum convenience.
