

120CM PRO-LINE COOKER DOUBLE OVEN WITH 8 GAS BURNER COOKTOP

L128WMP

Get inspired, Get creative, Get out of your comfort zone & Get lost in the moment!

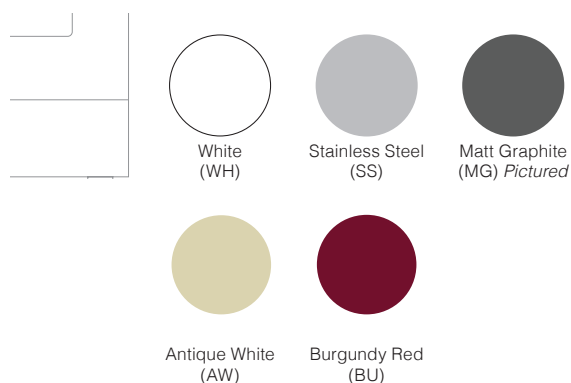

True to ILVE's pedigree in ultimate performance cookers, the NEW PRO-Line series acts as the starting point to the latest range of ILVE's famous freestanding cookers .

ILVE's PRO-Line Series features our new and improved design cooking surface that have an even, instantaneous heat that lets you simmer at low temperatures or instantly increase to searing hot.

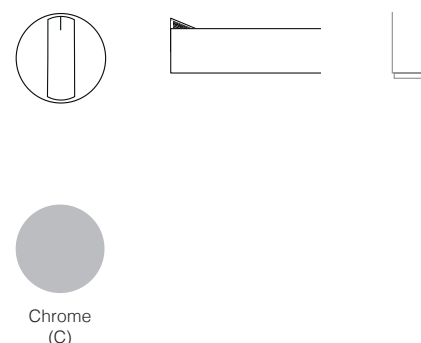

Available in Five colours and 120cm in width, PRO-Line by ILVE is an easy choice to make.

Also as apart of the new PRO-Line range ILVE's freestanding ovens incorporate our new oven cavity. Our new cavity is larger than before and our new oven cavity incorporates a new rear oven wall featuring 2 air flow gills designed to spread heat more evenly and efficiently around the oven cavity improving the cooking result. and increased internal illumination and grey enamel cavity. Our full piece glass inner door is easy to clean and the internal accessories are easy to remove.

Standard Option - Cooker Colours

Standard Option - Cooker Trimmings
