Oliveri

SOAP DISPENSER SD9000

SD9000 Soap dispenser.

CARE & MAINTENANCE

Unscrew and clean the spout aerator periodically - especially if you notice a drop in water pressure. The polished chrome-plated finish on your Oliveri mixer tap will resist stains and dirt build-up.

Clean with a soft cloth and warm soapy water as necessary – rinse and dry after cleaning. Avoid using abrasive or acid based cleaning products.

SERVICE & WARRANTY
