

HP90IDCHX2 90cm Built-in Integrated Rangehood

These integrated rangehoods are hidden from view. They are easy to install and efficiently remove steam, smoke and lingering odours.

Black glass

Dimensions

Depth	280mm
Height	Ⓐ 315mm
Width	Ⓑ 830mm

Features & Benefits

Effective and Quiet

Odours can linger in the kitchen well after cooking is finished. Three fan speeds with up to 780m³ per hour air movement ensure steam and odours are quickly removed.

Designed to Match

The stainless steel Rangehood surround with black glass touch-control panel and backlit display matches other Fisher & Paykel products – from built-in ovens and freestanding cookers to ActiveSmart™ fridges, CoolDrawers™ and DishDrawer™ dishwashers.

Easy Cleaning

The glass and stainless steel finishes are easily wiped clean and the filters are simple to clean and dishwasher safe. An alert reminds you when to clean the filter and ensures you get the best performance out of your rangehood.

Precise Control

Low-power LED lighting keeps energy usage to a minimum while providing superb illumination over the entire cooking surface.
