Optimal fridge organisation helps to streamline food preparation. This is achieved with features such as flexible shelving, flexible storage options and easy-to-access bins and trays on full extension runners.

Efficient

ActiveSmart™ fridges intelligently adapt to daily use to save energy – cooling and defrosting only when they need to without compromising on food care.

Easy Living

These fridges adapt to suit your lifestyle by streamlining food preparation and organisation with SmartTouch controls, flexible shelving and storage options, and slide-out bins and trays.
