

**The 5 energy stars rated, 10kg washing machine comes with the UltraMix feature to give you a gentler clean at lower temperatures. The premium feature includes Load Sensor, LED drum light, Vapour Refresh, Time Manager, EcoInverter motor and Woolmark accreditation.**

RRP AUS \$1,699.00

## Product Details

### FEATURES

---

5 Energy Stars rated

**Drum Light**  
Extra visibility with the brilliant LED Drum Light

**Add Clothes**  
With our Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 degrees Celsius.

Save your favourite program

---

**Aqua Stop**  
Anti-flood device

**AutoSense**  
Water and wash time are adjusted in proportion to the load size ensuring exceptional care for any load, minimising energy consumption.

**Jetsystem**  
Jetsystem gives a constant, gentle shower that massages the water and detergent through your wash

**Gentle Drum**  
More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning

---

Anti-allergy program

**Everyday programs**  
Wash everyday with the Daily 60 minute program or use the Quick 18 minute program for small loads needed super fast.

Extra-Large Door Opening

---

### BENEFITS

---

Enjoy a gentler clean with UltraMix technology  
UltraMix pre-mixes water and detergent in a special chamber before the beginning of the cycle to maximise cleaning power at a lower temperature, to ensure your clothes stay newer for longer.

**Load Sensor**  
Designed for an unsurpassed performance, the Load Sensor feature conveniently displays the laundry weight of every wash. This ensures you get the most out of each load with optimal time, water and energy efficiency. Now you can always wash at full capacity, avoid overloading your machine and even save on the number of washes you do each week.

---

#### Vapour Refresh

Vapour Refresh quickly freshens and gently revives your garments without washing. This innovative program removes wrinkles, odours and reduces the need for ironing to give you better care for your clothes to keep them bright and stylish.

#### Time Manager

Created to adapt to busy lifestyles, Time Manager puts you in control of every wash. Featuring both a variable wash time and delayed start, this convenient feature lets you select the time you want your wash to end. You can do your wash whenever it suits you. There is even an 18-minute Quick Wash for those lightly soiled items that you need washed super fast.

---

#### Woolmark Apparel Care

Taking care of your precious woollen garments is now even easier with our advanced Woolmark Certified Woollen cycle. Created especially for machine washable woollen garments, you can now safely dry your woollens without shrinkage.

#### Whisper-quiet efficiency with EcoInverter motor

Our new generation EcoInverter motor is quiet, durable and backed by a 10-year warranty (motor parts only), for peace of mind. You'll enjoy seamless results with lower energy consumption.

---

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
