RRP AUS $1,799.00

Product Details

FEATURES

Adjustable wooden shelves	Security lock	Reversible door	Digital temperature display
LED internal lighting	Triple glazed door, with anti-UV glass		

BENEFITS

Stable Temperature
Our wine cabinets maintain a stable temperature to keep your wine in perfect cellaring conditions. This is thanks to triple glazed glass, insulated side panels and interactions between a compressor and thermostat.

No Vibration
To protect the storage life and quality of your wine, our cabinets have been designed to create a vibration proof environment by including an externally housed compressor, rubber shock absorbers and vibration absorbing wooden shelves.

UV Protected Dark Storage Area
UV rays negatively impact the quality of your wine. Our cabinets eliminate this treat by incorporating UV treated tinted glass doors, dark interiors and dimmed internal LED lights.

Specifications

WINE CELLARS

Domestic Warranty	2
Installation Type	Both
Finish	Borderless Black Glass
Door Type	Glass Door
Door Construction	Triple Glazed, UV treated
