

# Oven, 76cm, 17 Function, Self-cleaning

Series 9 | Professional

Stainless Steel

With Professional styling, advanced cook functions and a touchscreen, this large capacity oven is a highlight of our collection.

- Guided cooking using your touchscreen makes it simple to cook by food, function or recipe
- 115L total capacity, with 17 oven functions including Pastry Bake, Roast, Slow Cook and Rapid Proof
- Non-tip, full extension sliding shelves for safe removal of hot dishes

- Accessories include a food probe, smokeless grill tray, and more

## DIMENSIONS

Height	690mm
Width	760mm
Depth	608mm

## FEATURES & BENEFITS

### COOK WITH CONFIDENCE

Our touchscreen interface provides an intuitive guided cooking experience that helps deliver perfect results, whether you've been cooking all your life or just starting out. Cook with a favourite method, hero ingredient, or go-to cooking function or recipe.

### GENEROUS CAPACITY

With 115L total capacity, you can create several perfectly cooked dishes at once using multiple shelves.

### MULTI-FUNCTION FLEXIBILITY

The cooking functions have each been tailored, tested, tweaked and perfected to ensure that no matter what you're cooking, you've got the right heat to match. A Wireless Temperature Sensor precisely monitors cooking in real time, giving you complete control.

### EXCEPTIONAL PERFORMANCE

AeroTech™ system circulates heat evenly for a consistent temperature throughout the cavity, helping you achieve perfect results even when cooking on multiple shelves.

### SELF-CLEANING

Our self-clean technology breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a

damp cloth. The enamel coated side racks don't need to be removed when using this function.

## DESIGN FREEDOM

This built-in oven displays the bold stainless-steel aesthetics of our Professional style, using premium materials and elegant styling to support a cohesive kitchen design.
