appliance range

3
YEARS

Warranty

KEY FEATURES

The rinse temperature for Intensive and Heavy Cycles increased to 75°C, reducing washing time and improving user experience

With 14-place settings it provides results with greater flexibility allowing you the flexibility to select the correct setting for your dishwashing requirements

CLEANING AND MAINTENANCE

- Cleaning operations must only be carried out when the appliance is completely cool.
- Clean the appliance regularly, preferably after each use
- Abrasive cleaners or sharp object will damage the appliance surface; you should clean it using water and a little washing up liquid

INSTALLATION

- Please refer to the product manual for full installation instructions.
- Product must be installed by a qualified technician.
