## Elements Series

### OUTDOOR WATERPROOF TELEVISIONS

Designed and engineered from the ground up to suit outdoor use, this full HD LED TV delivers, where regular TVs would fail. From it's optional ultra-bright sunlight visible screen, to its patent pending optical bonding, which reduces glare and reflection, this TV is sure to turn your outdoor space into an outdoor entertaining space.

The TV can be delivered with an anti theft bracketing system, and comes with all necessary cabling to get you started.
