BENEFITS

Seamless design integration

The design perfectly integrates with the entire Westinghouse kitchen collection, allowing you to perfectly co-ordinate your kitchen design

FamilySafe touch control

An easy to use, easy to clean touch control with a FamilySafe child lock to keep small fingers from accidentally operating the oven.

Hard wearing, stylish and easy to clean

Full fingerprint stainless steel metal fascia on the trim panel and microwave provides a hard wearing and practical look to your kitchen

Add crispness to your dishes

Grill function allows you to cook a wider range of dishes and add a crisper result when needed
