FEATURES

FamilySize Oven

Enjoy the huge 125-litre gross capacity with a helpful wide-open oven

Twin fan system

With the twin fan system the fans rotate in opposite directions to distribute heat evenly throughout the oven, for even cooking results every time.

Fast heat up time

Designed to heat up fast, the oven takes just 8 and a half minutes to heat to 180C on the quick cook setting.

FamilySafe Doors

FamilySafe oven doors ensure a cooler exterior and safer kitchen.

Triple glazed oven door glass

Full touch electronic control panel
Simple to operate and beautifully designed, the full touch electronic control panel is easy to clean and also features a fully programmable timer.

Easy clean oven interior
Enjoy easy cleaning with one seamless fully sealed oven cavity. With no awkward joints, nooks or crannies to trap grease, a simple wipe is all you need to keep your oven clean.

Twin oven lights
Twin 25W halogen lights light up your oven so you can always keep a close eye on your cooking.

Ease of use hobs

Designed for maximum ease of use, our gas hobs have a 5 burner configuration including a triple ring wok. The trivets have a flat design, which makes it easy to slide pots from one burner to another. The full glass ceramic hob, with touch controls, is easy to use and clean.

Frameless ceramic glass is stylish and so easy to clean.

Easy clean ceramic surface

Variable zone versatility

Handy storage compartment

Extra storage always comes in handy, so with a clever storage compartment you can easily stow away any extra pots and pans.

Seamless design integration

Fingerprint resistant stainless steel

Enjoy easy cleaning with smudge-free stainless steel and removable knobs

BENEFITS

Room for everything with FamilySize Ovens

Whether its a big family gathering or a simple Sunday roast, you'll love Westinghouse Family Size ovens, our huge 125-litre gross capacity ovens with room for everything. The home cook's delight, the impressive width makes it super easy to get things in and out of the oven. Plus it can also fit even the largest turkey or lamb roast, so you'll never have to worry about not fitting food in.

Twin fan system for even cooking

Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.

Fast heat-up time

Every moment counts, so while your oven heats up fast you can save time and get on with cooking the dishes you and your family love.

FamilySafe Doors

For extra peace of mind and safety in the kitchen, we've developed multi-layer glazed oven doors. Given the multi-layer glazing, the Westinghouse FamilySafe oven doors are found to be cooler and safer for families with young children.

Full touch electronic control panel

Simple to operate and beautifully designed, the full-touch electronic control panel is easy to clean and also features a fully programmable timer.

Easy-clean oven and surfaces

Enjoy easy cleaning with one seamless fully sealed oven cavity. No awkward joints, nooks or crannies to trap grease, a simple wipe is all you need to keep your oven clean.

Twin oven lights

Twin 25W halogen lights light up your oven so you can always keep a close eye on your cooking.

Ease of use hobs

Designed for maximum ease of use, our gas hobs have a 5 burner configuration including a triple ring wok. The trivets have a flat design, which makes it easy to slide pots from one burner to another. The full glass ceramic hob, with touch controls, is easy to use and clean.

Stylish touch-on-glass controls

Styled to suit any kitchen, the flat touch-on-glass controls not only look great, but with no buttons, they're also really easy to wipe clean. What's more with a handy child lock, you won't have to worry about the kids playing with the oven or cook top controls.

More versatility with variable zones

Every recipe is different and so is every cook. That's why we designed not only four cooking positions, but also one hotplate as a dual zone. This gives you the unrivalled flexibility of having two variable zones in one, so you'll be ready for any sized pot.

Easy clean ceramic surface

Not only aesthetically pleasing, the durable glass surface is easy to clean and maintain ensuring your kitchen is always looking at its best.

Handy storage compartment

Extra storage always comes in handy, so with a clever storage compartment offered in our freestanding ovens, you can easily stow away any extra pots and pans.

Seamless design integration

The design perfectly integrates with the entire Westinghouse kitchen collection, allowing you to perfectly co-ordinate your kitchen design

Fingerprint resistant stainless steel

Fingerprints have met their match. Enjoy a family-friendly oven with stainless steel that really is stainless. It's effortless to keep your oven looking like new with our easy-to-clean, smudge-free stainless steel.
