What a beauty!

The inside story

A truly great barbecue is as beautiful on the inside as it is on the outside. Here's a taste of what goes into making a BeefEater barbecue so brilliant.

RF Technology® Rust Free Cooktops

Kiss rusty cooktops goodbye. Ours are made from porcelain coated cast-iron enamel, one of the toughest coatings available. Solid stainless steel cooktops are also an option.

5 Year Porcelain Enamel Warranty

Discovery barbecues are covered by a no-nonsense 5 year limited warranty.

Multi-Use Container[▲]

Handy for all those extra ingredients.

Infrared Radiant Burner[▲]

Our unique, patented radiant burner delivers high intense uniform heat with low flare-up. It's commercial quality and a real flavour enhancer. Solid cast stainless steel burners are also an option.

Carts and Pedestals

Our luxury carts and pedestal trolleys are built tough from either galvanised and powder coated steel, or stainless steel.

Wheel Away Convenience

Note the snappy heavy duty wheels and lockable castors.

Integrated Convection Roasting Hood

In porcelain enamel or stainless steel. It's juicy-cooking with an on-board temperature gauge and warming rack.

Side Burner[▲]

Ideal for whipping up tasty stir-fries, sauces, or steaming. Heat output 15mJ/hr. 14217 BTU.

Integrated Quartz Start[®] Ignition

Our innovative titanium-coated system ensures long life and trouble free starting. No fiddly batteries or buttons.

5 Year Stainless Steel Warranty

Discovery barbecues are covered by a no-nonsense 5 year limited warranty on the stainless steel finish, with a full warranty plan on all other components.

On Board Gas Cylinder Storage

A place for everything and everything in its place.

Features with ▲ symbol are optional extras.
