

SMO654OFBTIXL

65CM FlexiMax 4 Zone Induction Cooktop

Whirlpool®

FEATURES & BENEFITS

6TH SENSE SMART SENSE

The 6th SENSE intelligent sensors will detect the pot's temperature, adjusting it according to the program selected and keeps it uniform until the dish is cooked perfectly. Different temperatures can be automatically selected and used simultaneously.

IXELIUM

Long lasting shine with iXellium on glass treatment, keeping the hob shiny, yet amazingly functional.

FLEXIMAX

With a +28% larger surface, FlexiMax is big enough to welcome all kinds of cooking creations. The zones can be used separately or linked together for larger pots, heating up rapidly and evenly.

EASY DISPLAY

Dedicated sliders for each cooking zone and just one finger needed to control them all. With 18 + boosters, heat can be accurately set for unfaltering cooking results.
