

# 1.8kw Indoor/Outdoor Heater

## HEATER

PRODUCT CODE: **EH180RB**

### FEATURES:

- + Infrared radiant heater
- + 4 heat levels
- + Approx. 15 - 20 m<sup>2</sup> of heat coverage
- + Remote temperature controller
- + Aluminum alloy panel
- + Efficient high heat generation
- + Overheat protection
- + Ceiling & wall mounting options
- + Stylish, slim line design

### RADIANT HEATING

The heat is spread in the form of radiation, emitted from the panel surface. The air will stay fresh and clean, like the warmth of the sunshine.

### 4 POWER LEVELS WITH REMOTE CONTROL

The heater has 4 power levels (25% - 50% - 75% - 100%) ensuring variable heat control. This can be controlled with the hand held remote.

### EFFICIENT HEAT GENERATION

The panel heaters will heat the person or object rather than the air, ensuring heat efficiency. Compared to conventional bottle gas patio heaters, the radiant heater offers large savings in running costs.

### OVERHEAT PROTECTION

This function will automatically turn off the appliance after an extended period of time, ensuring safety to the home.

### SPECIFICATIONS:

<b>Electrical Requirements</b>	Heater supplied with 10 amp plug & cord.
<b>Voltage</b>	240 V
<b>Frequency</b>	50 Hz / 60 Hz
<b>Power</b>	1800 W
<b>Rated Current</b>	7.8 A
<b>Weight</b>	6.8kg net / 8kg gross
<b>Product Dimensions</b>	W1095mm x H200mm x D75mm
