

DCS Grill, 48", Rotisserie

Series 7 | All
Stainless Steel | Natural gas

Bring style and cooking flexibility to your outdoor space. With plenty of room to prepare food, to grill or slow cook with rotisserie.

- Four grill burners and an infrared rotisserie burner
- Build in to your outdoor kitchen bench, or purchase our DCS cart separately to create a freestanding grill.
- The infrared rotisserie burner is ideal for slow-cooking and roasting meats evenly with controlled searing.
- Constructed from 304-grade stainless steel, designed for outdoor durability and performance

DIMENSIONS

Height	616mm
Width	1217mm
Depth	673mm

FEATURES & BENEFITS

- Grease Management System™**
The patented Grease Management System™ reduces flare-ups by channelling grease and oils away from the burner flames during grilling.
- Full surface searing**
Double-sided cast stainless steel grilling grates deliver perfect sear lines while at the same time, conveniently channelling away oil to an easily removable capture tray.
- Design quality**
Designed to last a lifetime and featuring heavy grade 304

stainless steel throughout, these grills are cleverly engineered and detailed with welded & polished seams, heavy duty fittings, handles and controls.

Heavy-duty rotisserie
An infrared rotisserie burner provides controlled searing heat, and its heavy duty motor with stainless steel hexagonal rod and adjustable forks can accommodate a 25kg load.

Total visibility
The Smart Beam™ grill light illuminates the entire cooking surface for better visibility at night. A 40 watt halogen light is integrated into the patented weather proof rotisserie motor, making it easily accessible and ergonomic.

Stainless steel burners
The precision ported u-shaped stainless steel burners are rated at a significant 27 MJ/h each – designed for premium quality and performance.

SPECIFICATIONS

Burners	
Rotisserie system	•

Cooking Surface Area	
Primary cooking area	0.54sq. m.
Total cooking area	0.75sq. m.
Warming rack area	0.21sq. m.
