- 2 x safety anti-tip shelves
- 1 x grill insert
- 1 x grill handle
- 1 x QuartzClean baking dish
- 2 x extendable telescopic runners

### Warranty

BLANCOCare™ 2 years parts & labour

### Features

#### QuartzClean Enamelled Interior

Hard wearing QuartzClean enamel cavity facilitates the cleaning of the cooking chamber. The nicklefree composition allows the enamel to withstand temperatures up to 600°C whilst resisting acidic spills.

#### Pyrolytic and Pyrolytic ECO Self-Cleaning Options

Offering two separate cleaning functions, this efficient cleaning system saves you time and money. No need for chemical based products. The oven is cleaned thoroughly and any debris is turned into ash which can be easily wiped after the cycle is complete.

#### PyroVari

Ability to choose the time that the pyro process takes choosing anything between 1 hour and 3 hrs. It is a highly efficient cleaning system which saves your time and money spent on cleaning products.

#### Quad Glazed Door

The quadruple layered door with thermo-reflective glass offers not only a cooler to touch surface but also increases the energy efficiency as the heat is retained within the oven.

#### Fully Programmable Timer

The fully programmable touch control operation enables you to set the start and finish time of your cooking where the oven will automatically switch off when finished.

#### HeatBoost

This is a boost preheat option whereby it quickens the amount of time spent preheating the oven. Once the set temperature is reached a warning sound will beep for 5 seconds to inform the user.

#### Night Mode

Automatically dims the light and the buzzer becomes silent between the hours of 10pm and 8am.
