## IV601BIM

Perfect partners, our stainless steel microwave is designed to match perfectly with your choice of ILVE oven. Simple to use and made of the finest materials, with stainless steel used internally, this microwave is easily cleaned and maintained.

Because microwave oven units are usually fitted to supplement the built in oven, it is especially important that they match in design and colour. ILVE appliances are renowned for forming a perfectly integrated family of built in appliances. That's why this microwave comes with an integrated trim kit to build in with your choice of ILVE oven.
