RRP AUS \$599.00

Product Details

FEATURES

Four-step filtration

Spiral air circulation

Laser sensors

Low noise level

Touch controls

BENEFITS

AN AIR PURIFICATION STATION

The four-step filtration system captures micro-dust, odours, and harmful airborne substances. Integrated HEPA 13 filter removes up to 99.99% of bacteria* for even cleaner and healthier fresh air at home. *Tested for Legionella pneumophila, Escherichia coli, Staphylococcus aureus and Serratia marcescens.

A BREATH OF FRESH AIR

A spiral outlet creates a robust whirl to efficiently circulate filtered air throughout a room without any uncomfortable drafts*. *Based on Japans JEM 1467 regulations of air changes per hour. Room size with a CADR for smoke of 415 m³ / hour and with the upward motion you can be close without being disturbed from the airflow.

GO WITH THE FLOW

Laser particle sensors evaluate air quality and automatically adjusts the fan speed as conditions change. This means that you can enjoy cleaner indoor air without having to adjust the settings yourself.

CLEAN AND QUIET

When used in Sleep Mode the sound from this air purifier is barely noticeable. Even when running at maximum speed, the noise level is only comparable to the hum of conversation in a restaurant.

INTUITIVE AND INTERACTIVE

Simple and intuitive touch UI makes it easy to adjust air quality to your desired level.

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
