Features

Benefits

4 Hi-Light Elements

Faster heat times (compared to radiant elements), with a uniform heat distribution.

9 Stage Temperature Control

With 9 different settings, you can select the ideal cooking temperature for all types of foods to provide the perfect cooking results.

Eurokera Ceramic Glass

The smooth even surface of the ceran hob makes cleaning your cooktop quick and easy.

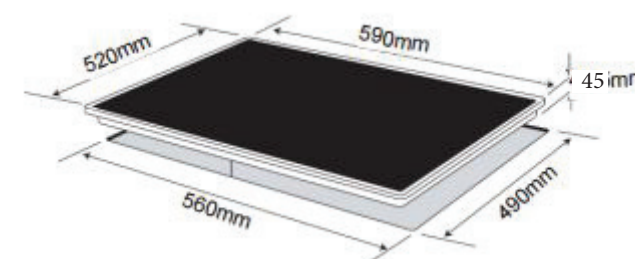

Residual Heat Lights

Allows you to see that the surface of the cooktop is still hot, preventing accidents.

Child Safety Keypad Lock

Ability to lock keypad during use at selected temperature, or when in use for added safety.
