

**The 6.5kg clothes dryer comes with Sensor Dry to gently dry your garments for an exceptional result. Other features include ideal temperature settings, Fast 40 program, reverse tumbling action and anti-crease option.**

RRP AUS \$699.00

## Product Details

### FEATURES

---

Extra large 6.5kg load capacity

**Sensor Dry**  
Sensor Dry cares for your clothes. 3 settings dry your clothes just right without overdrying.

**Efficient Reverse Tumbling Action**  
The tumble action alternates from clockwise to anti-clockwise. This reduces clothes tangling and bunching, so they dry evenly and quicker.

Ideal temperature settings

**Clean Filter Indicator**  
A reminder to clean the filter, keeping your dryer running in optimal condition, saving time and energy.

Wall mount option with reversible control panel decal

Durable stainless steel drum

Child safety device on door

Delay start option

---

### BENEFITS

---

**Sensor Dry**  
Sensor Dry gently and precisely dries your garments for exceptional results. This easy-to-use program will also save you precious time and energy.

**Save time with the Fast 40 program**  
Dry your smaller loads within 40 minutes, for those times you just need to get things done quickly.

**Ideal temperature settings to suit different loads**  
With four settings, even your most precious items are in safe hands. Choose from the airing setting for uncomplicated aeration, low heat setting for your delicates, normal setting for regular loads, or use the boost setting for heavier loads.

**Efficient Reverse Tumbling Action**  
The tumble action alternates clockwise to anti-clockwise, reducing clothes tangling and bunching, so they dry evenly and quicker.
