Smeg 60cm Classic Compact Steam Oven

STEAM

The benefits of steam cooking are well documented – colour and taste is preserved and a healthier vitamin content is retained. Smeg built-in steam ovens produce steam in the base of the oven which rises through the food for an even result. Cleaning a Smeg steam oven is easy without the need for descaling – a simple wipe over with vinegar solution is all that's required.

VAPOUR CLEAN

Smeg's Ever Clean enamel's tough surface has a glassy finish, so a simple spray of water and detergent around the cavity in conjunction with the Vapour Clean option will generate heat and steam to soften any grease for a wipe-clean result.

EVER CLEAN ENAMEL

The superior quality of Smeg's patented Ever Clean enamel, which is highly durable and easy to clean, is the result of nearly 70 years of enameling expertise; ensuring long-life performance of every Smeg oven.

SMARTSENSE

Smeg's SmartSense intuitive program selection is easy-to-read in the large LCD panel. Effortlessly select oven functions, temperature and time for cooking; enter the time you want your meal to be ready and your delay start is calculated for you; or cook 20 pre-programmed favourites at the flick of a button.

SOFT CLOSE DOOR

The new soft-close mechanism on Smeg's oven doors ensures a two-stage soft and quiet close. Smeg's quality hinges also ensure the door will not drop on opening, an intrinsic safety feature.

EAN

8017709217174

Finish	Fingerprint proof stainless steel Eclipse high visibility black glass
Total functions	5 + 20 SmartSense auto menus incl. Defrost by weight/time
Display	Large LCD
Capacity	50L
Cooking levels	3
Water tank capacity	1.2L
Thermostat	30 - 100°C
Installation	Flush, underbench or wallmount
Programmability	Fully programmable
Cleaning	Smeg Ever Clean enamel, Vapour Clean
Lighting	1 x 40 Watt halogen
Supplied accessories	2 x Chrome shelves 1 x 20mm stainless steel tray 1 x 40mm perforated stainless steel tray 1 x Sponge
Optional accessories	GT1P-1 - Partial telescopic guides GT1T-1 - Total telescopic guides
Safety	Soft Close door, thermal protection system, child safety lock, controls lock, steam stop
Dimensions	597mmW x 456mmH x 571mmD
Power	220-240V, 50/60Hz 2100W 10A current
Warranty	Two years parts and labour
