High performance cooktops

Durable enamel surfaces

Easy clean formed shelf supports

Interior light

BENEFITS

Easy-reach rear controls

Westinghouse 60cm freestanding electric cookers have a unique easy reach angled rear control system which offers you and your family peace of mind while cooking by keeping oven controls far from childrens reach.

Class-leading capacity

Westinghouse freestanding cookers have the largest cavity in their class, with a 80L gross oven capacity. Plus, the separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

Handy separate grilling compartment

Cook for the whole family. Grill and bake at the same time while keeping different cooking flavours and smells apart.

High performance cooktops

Choose from our practical and powerful range of electric cooktops, with standout features like handy coil, or easy-clean and stylish flat ceramic hobs. High performance elements , including dual zones on selected models, allows you to cook anything with ease, from family stir-frys to slow simmering.

Easy-clean oven and surfaces

Enjoy easy cleaning with one seamless fully sealed oven cavity. No awkward joints, nooks or crannies to trap grease, a simple wipe is all you need to keep your oven clean.

Durable enamel surfaces

Enjoy a sparkling finish every time. With supreme durability on external surfaces, you can be assured your cooker will look as good as new for years to come.

2 Hour mechanical timer

Simple to operate, the two hour mechanical timer gives you flexibility when cooking and rings when the selected program time lapses.

Formed runners

Formed runners on the inside of your oven (instead of racks) means easier cleaning.

Built in Australia

Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
