

**9kg front load washer, with Daily 60 program, 4 star energy and 4 star WELS rating. This washer features JetSystem, Woolmark Blue certification and vapour refresh option**

RRP AUS \$1,299.00

## Product Details

### FEATURES

---

#### Woolmark Blue Certified

#### Jetsystem

Jetsystem gives a constant, gentle shower that massages the water and detergent through your wash

#### Extra-Large Door Opening

#### Add Clothes

With our Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 degrees Celsius.

---

#### Gentle Drum

More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning

#### Save your favourite program

#### EcoInverter

The ecoinverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts & labour inverter motor warranty ensuring peace of mind.

---

### BENEFITS

---

#### Gentler on your clothes

Jetsystem is a constant, gentle shower that massages the water and detergent through your wash to give your clothes the superior care they deserve

#### Woolmark Blue Accreditation

Taking care of your precious woollen garments is now even easier with our advanced Woolmark Certified Woollen cycle. Created especially for hand wash only woollen garments, you can now safely dry your woollens without shrinking.

---

#### Extra-Large Door Opening

The extra-large door opening was designed to make loading and unloading your machine a breeze. With easy access to the inside drum, you will enjoy better visibility so you never miss those smaller items.

#### Less wrinkles

Vapour not only reduces wrinkles, it also eradicates up to 99% of common household allergens and germs for a clean that's more than just superficial.

---

#### Hand it to us

You can safely trust your Electrolux to treat your delicate wool garments with utmost care. Our wool cycle is proven to be gentle enough even for your hand wash only woollens, keeping them as fresh and lovely as they felt when you first put them on.

#### Quietly efficient

Reduce your energy needs by up to 50% with a powerful and reliable EcolInverter motor that cuts vibrations and noise to the barest whisper. With the 10 year parts and labour inverter motor warranty your Electrolux will deliver, wash after wash, year after year. \*vs Electrolux non inverter motors

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
