

90cm dual fuel freestanding cooker with 5 burner gas hob including a 14.4 MJ/h wok burner, and 125L gross capacity oven with twin fan system.

RRP AUS \$2,799.00

Product Details

FEATURES

FamilySize Oven

Enjoy the huge 125-litre gross capacity with a helpful wide-open oven

Twin fan system

With the twin fan system the fans rotate in opposite directions to distribute heat evenly throughout the oven, for even cooking results every time.

High powered 14MJ/h wok burner

FamilySafe Doors

FamilySafe oven doors ensure a cooler exterior and safer kitchen.

Fast heat up time

Designed to heat up fast, the oven takes just 8 and a half minutes to heat to 180C on the quick cook setting.

Handy storage compartment

Extra storage always comes in handy, so with a clever storage compartment you can easily stow away any extra pots and pans.

Twin oven lights

Twin 25W halogen lights light up your oven so you can always keep a close eye on your cooking.

Triple glazed oven door glass

Digital Programmable timer

FamilySafe trivets

FamilySafe flat trivets enhance pot stability and slide-ability, enabling greater safety when cooking

FamilySafe Flame Failure Device

Stops the gas supply if the flame is extinguished.

BENEFITS

Room for everything with FamilySize Ovens

Whether its a big family gathering or a simple Sunday roast, you'll love Westinghouse Family Size ovens, our huge 125-litre gross capacity ovens with room for everything. The home cook's delight, the impressive width makes it super easy to get things in and out of the oven. Plus it can also fit even the largest turkey or lamb roast, so you'll never have to worry about not fitting food in.

Twin fan system for even cooking

Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.

High-powered wok burner

Whip up tasty stir-fries and more with our high-powered wok burner. You'll get the high heat you need with 14.4 MJ/h of power at its highest setting.

FamilySafe Doors

For extra peace of mind and safety in the kitchen, we've developed multi-layer glazed oven doors. Given the multi-layer glazing, the Westinghouse FamilySafe oven doors are found to be cooler and safer for families with young children.

Fast heat-up time

Every moment counts, so while your oven heats up fast you can save time and get on with cooking the dishes you and your family love.
