## Dimensions

Depth	562mm
Height	458mm
Width	596mm

## Features & Benefits

**Sized to suit**  
The compact 46cm height means this Combination Steam Oven can be placed almost anywhere. Companion products share the same dimensions and can be installed in multiple configurations to suit your kitchen design and preference.

**Cooking flexibility**  
The Combination Steam Oven allows ingredients to retain their nutrients, moisture content and colouration. With nine oven modes, it doesn't just Steam, but also has Grill and Fan functions.

**Easy to use**  
An easy to use, intuitive display shows the time and provides useful information about functions along with a refill alert.

**Beauty of choice**  
With the choice of a stylish stainless steel or elegant black trim, our Companion products help you achieve a coherent kitchen aesthetic that suits your design style.

**Easy cleaning**  
Cleaning and care of the Combination Steam Oven is easy. Simply wipe the smooth stainless steel interior with a dry cloth after each use.

**Safe and sound**  
The CoolTouch door is safe to touch from the outside, protecting your hands and the surrounding cabinetry. The water tank slides in easily, with no plumbing required.
