

PHILIPS

Steam iron

3000 Series

2400 W power

40g/min continuous steam

180 g steam boost

Ceramic

DST3031/29

Powerful steam to tackle every crease

Steamboost up to 180g

Our steam iron 3000 series makes ironing easy with the powerful steam boost that tackles tough creases. The ceramic soleplate ensures smooth gliding while the 300ml water tank is large enough to finish smaller ironing loads without a refill.

Fast ironing

- Steam boost up to 180 gram for extra power
- Continuous steam up to 40g/min for consistent performance
- 2400 watt for fast heat-up

Easy ironing

- Smooth gliding ceramic soleplate
- Automatic shut-off
- Our drip stop prevents water dripping on your garment
- Vertical steaming for hanging fabrics
- Reach difficult places easily with the triple precision tip
- Iron more in one go with the 300ml water tank

Long lasting performance

- Built-in calc-clean slider, long-lasting steam performance

Highlights

Steam boost up to 180 gram

The strong steam boost gives you that extra power to penetrate deeper into the fabric and cut through the tough creases easily.

Continuous steam up to 40g/min

Strong and consistent steam output to remove creases faster.

2400 watt for fast heat-up

Delivers fast warm-up and powerful performance.

Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It does not stick to your garment, is scratch resistant and easy to keep clean.

Auto shut-off

The iron shuts itself off if you leave it standing still. On its heel rest, it will automatically switch off in 8 minutes. Lying flat, it shuts down after 30 seconds motionless.

Drip stop

Our drip-stop system prevents leakage to avoid stains from water droplets, so you can iron with confidence at any temperature.

Vertical steam

With the vertical steam function you can refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

Triple precision tip

The tip is precise in 3 ways: it has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium buildup, or limescale, and maintain peak performance.

300ml water tank

Fewer refills are required thanks to a large 300ml water tank. So you can iron more clothes in one go.

Specifications

Powerful performance

Continuous steam: 40 g/min

Power: 2400 W

Ready to use: 35 sec.

Steam boost: Up to 180 gram

Easy to use
