

Toast & Egg

The Toast N' Egg revolutionizes breakfast time by combining a toaster and egg cooker in one. You can simply have an egg or just toast on its own, or combine the two for a 4 minute breakfast!

- 2 in 1 Breakfast solution – toasts bread & cooks eggs at the same time
- 3 cooking functions: eggs/toast only & combined egg & toast
- Extra wide & deep slots
- Mid cycle Cancel Button
- Variable browning control (1 to 5)
- High-lift lever
- Steaming tray & poaching tray included
- Removable crumb tray
- 1200W
