Features & Benefits

- Sized to suit**

A compact 460mm height means this oven can be placed virtually anywhere. All companion products can be installed at a convenient height to suit your kitchen design and preference.
- Easy cleaning**

Cleaning and care of the Steam Oven is simple. After each use, simply clean the smooth stainless steel interior with a dry cloth after the steam generator has cooled.
- Simple to use**

An easy to use, intuitive display gives you all the information you need, including refill alert, function and time.
- Safe and sound**

A child key lock has been included in the design of this built-in steam oven for added safety.

- Convenient cooking**

This steam oven ensures healthy and easy cooking — with no oil, no smoke, no mess. Most meals will cook in 30 minutes or less and dishes can be cooked simultaneously using the same steam, keeping food moist and fresh.
- Designed to match**

Finished in black reflective glass and polished metal that blends an elegant, minimalist aesthetic with design for durability, matching the other companion products and the larger coordinated kitchen family.
