

WF03S23XAUS

60CM 15Pl Dishwasher

Whirlpool

TECHNICAL SPECIFICATIONS

FINISH	Finger Resistant Stainless Steel
DIMENSIONS	600mmW x 850mmH x 600mmD
CAPACITY	15 Place Settings
DISPLAY	Electronic
PROGRAMS	10
BASKETS	2 plus Flexible Cutlery Drawer
FEATURES	6th Sense, Cutlery Drawer, Multizone, Self Clean
WATER CONNECTION	Hot or Cold
SAFETY	Aquastop
TIMER	Delay 1-24 hours
DRYING	Turbo
NOISE	43 (dBA)
WATER USAGE	11.1 Litres
POWER	10 amp
NET WEIGHT	47kg
WARRANTY	Four years parts and labour

FEATURES

6TH SENSE

6th SENSE technology detects and monitors the level of soil thanks to a smart sensor and adapts the cycle parameters and program settings accordingly. Consumers will always get perfectly clean dishes with no effort, saving time and water.

MULTIZONE

If you do not have many dishes to be washed, a half load may be used to save water, energy and detergent. Multizone provides 3 options: Lower rack only, upper rack only or cutlery.

SUPER SILENT

With a sound level of only 43dBA, the dishwasher works so silently that you can freely watch your favorite programs on T V, talk over the phone, or just enjoy a quiet environment without even noticing its presence. With Silent Cycle, the noise level is even lower, just 42 dBA...less than a whisper

SPACE MANAGEMENT

15 place settings with 3 racks provide room for even the biggest family.

TURBO

This option can be used to reduce the duration of the main programs while maintaining the same washing and drying performance levels.
