Electrolux

Discover the Electrolux Life

Redefining modern living

Life is what you make of it. So why not make it the very best? With Electrolux products in your home, even the simple, everyday tasks become a pleasure. It's taking the ingredients fresh from the fridge, as though they were bought yesterday. It's switching on the enhanced FullTaste steam oven setting, which cooks with steam and heat, to

serve up restaurant quality dishes with all the succulent flavours locked in, it couldn't be simpler. It's fitting all the used pots, pans, jugs and utensils into the dishwasher with ease, the same level of flexibility that serves busy restaurant kitchens, daily. Meanwhile, laundry day transforms from chore to near joy with a simple way to care for your clothes so

they feel like new every time you wear them. Your washer and dryer remember your favourite cycles, consume only what's necessary for pristine results and even offer programmes that cut your ironing in half. It's enjoying our professional knowledge and experience in your own home with our Inspiration Range. It's living the Electrolux Life.

discover the
Electrolux Life

Our professional experience

Did you know that nearly 50% of chefs featured in the Michelin Guide in Europe use Electrolux equipment in their restaurant kitchens? For 90 years, we've been supplying products to the world's most prestigious restaurants and professional laundries.

As the only global brand with a full range of both professional and domestic kitchen appliances, we believe that everyone can achieve amazing results with the right appliances. From delicious mouth-watering meals expertly cooked in your steam oven to freshly laundering your most delicate garments with ease, with Electrolux you enjoy easy, beautiful living every day.

Electrolux Appetite for Excellence

To support the next generation of Australian hospitality talent, Electrolux sponsors Australia's only national hospitality awards program, Electrolux Appetite for Excellence.

Created by Luke Mangan and Lucy Allon in 2005, the program searches for Australia's hottest young talent within the industry and offers three award categories - Electrolux Young Chef, Electrolux Young Waiter, Electrolux Young Restaurateur.

As a brand that designs both professional and household appliances, Electrolux is pleased to play a role in supporting the young talent who will drive the future of Australian cooking and dining.

taste FESTIVALS

Taste Festivals

Electrolux is the major sponsor of Taste Festivals - a series of high profile restaurant festivals which take place in the heart of large cities throughout the world including London, Milan, Dubai, Amsterdam and Stockholm. Locally, Electrolux is the major sponsor of Taste of Sydney, Taste of Perth, Taste of Melbourne and Taste of Auckland.

The partnership is designed to bring unique and memorable food experiences to Australian food lovers including the Electrolux Taste Theatre which features live cooking demonstrations by Australia's leading chefs on the latest Electrolux appliances. New to Taste Festivals in Australia is the Electrolux Chefs' Secrets - an intimate masterclass where guests can cook alongside their favourite chefs and learn how to cook one of their signature dishes, before sitting down to enjoy the meal together with the chef.

Fresher thinking just for you

Energy efficiency

Make an impact on your energy bill, your energy consumption and most importantly, the environment. Thoughtfully designed inside and out, the Electrolux FreshPlus™ refrigeration range offers best-in-class energy efficiency

and an outstanding performance without compromise. That means lower running costs for you and a smaller footprint for the environment.

FreshPlus

Discover the latest in fresh thinking from the refrigeration experts. Beautifully designed, the Electrolux FreshPlus™ range of refrigerators offers best-in-class energy efficiency and advanced technology to ensure your food is kept fresh and great tasting.

The FreshZone™ double-insulated crispers and inverter cooling systems provide optimal conditions to extend the life of your ingredients while also minimising environmental impact.

When your food is fresher, you enjoy less waste and save time with fewer trips to the supermarket. With top mount, bottom mount, multi door and single door refrigerators available, you'll find the perfect fit for your kitchen.

For freshness that lasts

Did you know that your fridge door is one of the most opened doors in your home? That's why we created our intelligent FreshPlus™ technology. Designed to maintain the perfect temperature and detect when the fridge door opens, it immediately begins re-cooling to replace cold air for fresher, longer lasting, better tasting food.

Plus by increasing the stability of temperature and humidity levels in the double insulated crisper, food preservation is also maximised. When the moisture, vitamins and the flavour of your produce are preserved for longer, you enjoy better quality ingredients for all your favourite dishes.

Cool design luxury living

A beautiful design is not just a pleasure to look at, but a pleasure to use too. A celebration of form and function, our thoughtfully designed fridges maximise storage and food preservation so you can enjoy deliciously fresh food. With amazingly spacious interiors and FlexStor™ adjustable shelving, you'll find a place for everything every time. That means even the biggest grocery shop can be stored and organised with ease.

Plus innovative features let you use your fridge your way.

With just a touch of a button, the multi-function electronic touch controls can set the temperature and turn on features like boost mode, fast ice, holiday mode and drinks chill. Long-lasting eco-friendly LED lighting at the top and sides of the fridge ensures a light-filled interior so you can quickly find anything you need. When it comes to cleaning, your fridge will stay in pristine condition with a simple wipe clean thanks to the mark-resistant stainless steel coating.

Bottom mounts

What's new

With sleek styling, generous interior space, high-quality mark-resistant stainless steel, and excellent energy efficiency, Electrolux Bottom Mount refrigerators bring the utmost convenience to your kitchen. Eye-level shelving, LED lighting and adjustable interiors make it so easy to get organised, while our innovative FreshPlus™ technology delivers best-in-class energy efficiency and fresher, better tasting food.

Best in class energy efficiency
Enjoy lower running costs, a superior design and an outstanding performance without compromise.

A place for everything
With amazingly spacious interiors and FlexStor™ adjustable shelving, you'll find a place for everything every time.

FreshZone™ double insulated crispers
Designed to maximise food preservation for fresher, better tasting food, the double insulated crispers increase temperature stability and humidity levels in the crisper.

In-built water dispenser and automatic ice maker
Thirsty? Enjoy fresh filtered water and cubed ice instantly. (EBE5367SA only)

Brilliant LED lighting
Say goodbye to dark corners with our long-lasting eco-friendly LED lighting.

Innovative functions
Use the multi-function electronic touch controls to set the temperature and use functions such as boost mode, fast ice, holiday mode and drinks chill with just a touch of a button.

Remarkable freezer design
Easily organise and store all of your frozen ingredients and meals with the deep double basket freezer, with an additional half-width drawer for your delicate freezer items.

All your food at eye level
With all your food within easy reach, you can quickly get what you need.

High-quality mark-resistant stainless steel
Easy to clean and maintain, our mark-resistant stainless steel will keep your fridge looking like new.

Trim Kit

The Electrolux built-in trim kits are the perfect complement to the Electrolux FreshPlus™ range.

The brushed stainless steel trim kits give you the ability of a true built-in premium finish allowing you to integrate your FreshPlus refrigerator into the surrounding cabinetry so that you can enjoy the streamlined design of your entertainer’s kitchen.

Electrolux offers kits to connect 1 or 2 modular refrigerators and integrate with a built-in trim kit.

Four door

Worth knowing

Perfect for those who love to entertain, the beautifully designed Electrolux Four Door fridge is a testament to innovative design and supreme functionality. With a place for everything, you'll love how easily you can store and access your food. The generous storage capacity, spacious compartmentalised freezer and extra-wide fridge compartment ensure that all of your groceries and even your party platters can be accommodated with ease. The elegant half-width doors feature high quality mark-resistant stainless steel and require minimum space to open, making them ideal for narrower kitchens and island benches.

Everything in its place
With amazingly spacious interiors, you'll find a place for everything every time.

High-quality mark-resistant stainless steel
Easy to clean and maintain, our mark-resistant stainless steel will keep your fridge looking like new.

Spacious compartmentalised freezer
Keep your freezer organised, tidy and quickly find what you need.

Half-width doors
Narrow kitchen? Our streamlined half-width doors are perfect for small spaces.

For connection kit installation instructions go to [electrolux.com.au](https://www.electrolux.com.au)

Important! Please ensure that the access to your kitchen (including doorways, corridors, island benches, etc) allows sufficient clearance to move your fridge into position.

Please note! Dimensions to be used as a guide only. All measurements in millimetres. All customers MUST refer to the user manual supplied with the product for detailed installation instructions.

TOP SERVICE

Electrolux Top Service encompasses the after sales service including Delivery, Home Service and Spare Parts.

delivery

The purchase of a new appliance is an exciting experience. Electrolux customers can, for an additional charge, choose to have their new appliance delivered by our experienced staff. This service, at the customer's option, includes the removal and recycling of packaging materials and even the old appliance if necessary. Delivery is available in Adelaide, Brisbane, Melbourne, Perth and Sydney. It may not be available in some rural locations and is not available in New Zealand.

home service

Home Service is provided for repairs to appliances by trained technicians. For repairs to appliances that are outside the manufacturer's warranty period and not required as a result of a manufacturing defect, a service fee is payable. Home Service is available throughout Australia and New Zealand.

spare parts

Home Service and Spare Parts can be contacted by phone using our toll free national numbers.

warranty

Electrolux Home Products Pty Ltd and Electrolux (NZ) Limited (collectively Electrolux) warrants that for domestic or equivalent applications the Electrolux products featured in this brochure are free from defects in materials and workmanship for 2 years. An additional 3 year warranty is also provided for domestic applications only to cover replacement of parts only for the sealed refrigeration system. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased. This warranty is in addition to other rights and warranties you may have under the Australian Consumer Law (ACL) and Electrolux will at all times comply with its obligations at law including the ACL.

product information

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Electrolux will at all times comply with its obligations pursuant to law. Colours of products illustrated are as close as printing limitations allow.
