

30" Built-in Electric Firebox

Revillusion

Dimplex

Revillusion™ is a completely new way of looking at fireplaces, and changing the standard for electric. A clear view through the lifelike flames, to the full concrete look interior, captures the charm of a modern wood-burning fireplace. Enjoy the look of a fireplace cut straight from the pages of a magazine by choosing Revillusion™.

- Revillusion™ Flame technology - Flames are larger, brighter and more random, appearing from within the logs
- Mirage Flame panel - partially frosted acrylic panel is clearly better than a mirror, showing only dazzling flames and no reflections.
- ThruView Full-depth design
- Mood lighting- customise the firebox glow with a choice of hues
- Colour enhancement - adjust the flame base to red or blue.
- Realogs Plus - a full grate of life-size hardwood-cast logs, tiered for greater depth.
- Full Concrete look firebox with Birch Log Set
- Brightness flicker
- Ambient light sensor
- Quick and easy installation
- All-season flames
