Additional key features & benefits

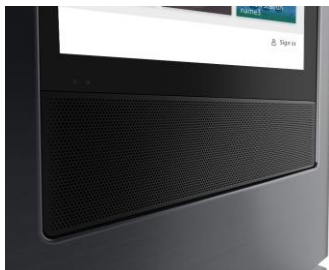

Extra-large capacity for large families

Huge 825L capacity means there's room for the whole family, and then. So go ahead, stock up on all those family favourites.

Keep food fresh with Triple Cooling™

Separate cooling systems in the fridge and freezer help maintain temperature control and minimise the mixing of odours.

Hit all the right notes with built-in new speakers

Enjoy an exceptional level of audio quality with the powerful new speakers that come built-in with this new Family Hub™.

Modern and sleek black layered steel finish

The sleek black layered steel finish will make the Family Hub™ the centerpiece of your kitchen.

Smart Convertible Freezer

Convert freezer to fridge for extra space with the touch of a few buttons! With up to 5 different freezer conversion modes to choose from, conveniently store what you want, how you want.

Metal Cooling to help maintain cool temperatures within

Not only does the stainless steel panel lend a premium look to the fridge interior, it is designed to help regulate temperature consistency inside the fridge.

* Only available for participating schools. To participate, school must subscribe to app.
