11kg Top Load Washing Machine with  
6 Motion Direct Drive & Smart THINQ™

Outstanding  
Performance  
with  
6 Motion  
Direct Drive

Available November 2017

## Features

- ✓ 6 Motion Wash Technology
- ✓ Inverter Direct Drive Motor
- ✓ Stainless Steel Inner Tub
- ✓ Smart THINQ™ (Wi-Fi)
- ✓ 11kg Capacity
- ✓ Smart Diagnosis® 3.0
- ✓ Tinted Glass Lid
- ✓ 950rpm
- ✓ 7 Washing Programs with 8 Options

### 6 Motion Wash Technology

**LG 6 Motion Wash Technology**- use a combination of 6 motions, based on hand-washing, to wash your clothes. Simply choose a cycle. Your washer works out the best combination to give you an outstanding wash, whilst also caring for your clothes.

### Inverter Direct Drive Motor

The direct drive motor with inverter control is an advanced motor system to a traditional belt and pulley system. It delivers a reliable, quiet and durable mechanism with less moving parts - that's why you get a 10 Year Parts Warranty on the LG Inverter Direct Drive Motor.<sup>1</sup>

### Stainless Steel Tub

**A Stainless Steel Inner Tub** is more effective to help control bacteria growth than tubs made of plastic or containing plastic agitator's. This combined with the Tub Clean program helps maintain a hygienic wash.

### Smart THINQ™ (Wi-Fi)

With a smartphone and the LG Smart THINQ™ app the washing machine can "talk for itself" to find a solution to help save time and money on unnecessary call outs.<sup>2</sup> Once connected to your home Wi-Fi, you can set, start and even view usage history remotely on your smartphone. When your washing is complete, you will be notified on your smartphone.<sup>2</sup>

<sup>1</sup> 2 Years parts and labour + 8 years on Inverter Direct Drive Motor (parts only)

<sup>2</sup> Compatible smartphone required, Android 4.1.2 (JellyBean) or later or iOS8 or later required for LG Smart THINQ™ app and Audble Smart Diagnosis feature. Mobile 3G/4G or Wi-Fi connection, LG Smart THINQ™ app is required for Remote Start, Usage History & Notifications.
