

CS9GMMBA2

90CM CLASSIC FREESTANDING COOKER

MADE IN ITALY

Since 1948

THERMOSEAL

The seal of Smeg's quality, technical excellence and taste: succulent roasts, crisp pastry and impressive baking is achieved in Smeg's unique, perfectly controlled cooking environment. Thermoseal maintains the perfect atmospheric balance in the cavity for optimum cooking conditions.

EVER CLEAN ENAMEL

The superior quality of Smeg's patented Ever Clean enamel, which is highly durable and easy to clean, is the result of nearly 70 years of enameling expertise; ensuring long-life performance of every Smeg oven.

VAPOUR CLEAN

Smeg's Ever Clean enamel's tough surface has a glassy finish, so a simple spray of water and detergent around the cavity in conjunction with the Vapour Clean option will generate heat and steam to soften any grease for a wipe-clean result.

LARGE FORMAT COOKING

A huge 126L capacity with five shelf positions is ideal for cooking several dishes at once. Plus, the 90cm cooktop boasts six gas burners so you can have multiple pans on the go at once.

NEW SEAMLESS DESIGN

Intuitive controls, elegant Italian design and a seamless edge creates restaurant-quality meals at home whilst blending perfectly into your kitchen. Premium quality appliances with superior technology and beautiful style.

NINE TRADITIONAL COOKING FUNCTIONS:
