GRILL

AUTO COOK

Dimensions/weight

Interior cavity dimensions:	224h x 371w x 228d
Product dimensions:	326h x 520w x 497d
Weight:	16.3kg

Key features	Benefits
Convection function	A convection microwave adds an oven element and fan enabling a wider variety of foods to be cooked. It's faster than a conventional oven and a smart choice when time is short.
Grill function	The grill function is a quick and convenient way of achieving the perfect grilled finish to your favourite food.
Stainless steel finish	Stainless steel appliances are easy to clean, more durable and have increased longevity.
