

**Versatile wine cabinet that can be set as a single zone for cellaring both reds and whites or as multi-temp for serving different styles/varietals at perfect drinking temperatures.**

RRP AUS \$3,999.00

## Product Details

### FEATURES

Double glazed door, with anti-UV glass	Adjustable wooden shelves	Winter function heating system	Security lock
Audio and visual alarm	Reversible door	Digital temperature display	LED internal lighting

### BENEFITS

<p><b>Multi-Temp</b></p> <p>Vintec versatile Multi-Temp technology is designed for serving different varietals at their perfect individual drinking temperatures. It provides a gradient of temperature throughout the cabinet, which is ideal for keeping all wine styles at their optimal drinking temperature.</p>	<p><b>Stable Temperature</b></p> <p>Our wine cabinets maintain a stable temperature to keep your wine in perfect cellaring conditions. This is thanks to double glazed glass, insulated side panels and interactions between a compressor and thermostat.</p>
<p><b>Winter Heating Function</b></p> <p>In some areas, the temperature in winter could drop drastically. Our wine cabinets are equipped with a heating function to deliver a constant temperature through the cellar all year round.</p>	<p><b>UV Protected Dark Storage Area</b></p> <p>UV rays negatively impact the quality of your wine. Our cabinets eliminate this treat by incorporating UV treated tinted glass doors, dark interiors and dimmed internal LED lights.</p>
<p><b>Humidity above 50%</b></p> <p>Our wine cabinets incorporate a Thermal Recycling Pump that ensures adequate humidity levels are maintained. The Thermal Recycling Pump works by heating condensed water, which is then introduced as humid air within the cabinet.</p>	<p><b>No Vibration</b></p> <p>To protect the storage life and quality of your wine, our cabinets have been designed to create a vibration proof environment by including an externally housed compressor, rubber shock absorbers and vibration absorbing wooden shelves.</p>

## Specifications

### WINE CELLARS

Domestic Warranty	2
Installation Type	Both
Finish	Brushed Aluminium
Door Type	Glass Door
Door Construction	Double Glazed, UV Treated
Handle	Brushed Aluminium Bar
Fridge door opening	Reversible
