

8kg Top Load Cabrio Washer

6AWTW5700XW

· AU_6AWTW5700XW_H.jpg

· High Efficiency Washer

Saves MONEY on ENERGY and WATER bills while still delivers outstanding cleaning performance by balancing mechanical, thermal, and chemical energies.

· Eco-Booster

Available on all cycles, which allows you greater control over performance and eco-friendliness.

· 11 Wash Programmes

A solution for every washing requirement.

· Made in USA

Built in the Whirlpool's plant in Clyde, OH, USA

· Dual Action Wash

The impeller and stainless steel basket move independently from each other, improving significantly cleaning performance and fabric care.
