

Key Features

1. SpaceMax™
2. Twist Ice Maker
3. All-Around Cooling
4. Modern, Minimal Design
5. LED Lighting
6. 20 Year Compressor Warranty¹

1

Thinner Walls. More Space Inside.

SpaceMax™

Store more food with the spacious interior of SpaceMax™. Special high urethane insulation technology means that refrigerator walls are thinner. This results in more space inside the fridge without compromising efficiency compared with Samsung refrigerators without SpaceMax™ technology.

2

Ice Cubes in a Twist

Twist Ice Maker

A simple twist of the Ice Maker is all it takes to dispense a large quantity of ice cubes to stay cool in the warmer weather. Then when the weather starts to cool down, simply detach and remove the Ice Maker to make room for your winter essentials.

3

Preserve Freshness in your Food

All-Around Cooling

No matter where your food is stored in the fridge, it will be cooled. All-around Cooling technology continually checks the internal temperature and blows out cold air when needed. Multiple air vents on every shelf help ensure even distribution of cold air from corner to corner to help keep your food fresh.

4

Excellent addition to a variety of Kitchens**Modern, Minimal Design**

The sleek design creates a clean, contemporary look to suit your kitchen interiors. Strikingly beautiful flat front doors paired with recessed handles introduce a minimalist aesthetic and an added level of design sophistication.

5

See it All**LED Lighting**

Samsung's sophisticated LED lighting brilliantly illuminates every corner of the fridge for comfortable viewing. Find what you're looking for easily, even at night, without turning the kitchen light on.

6

Digital Inverter Technology.**20 Year Compressor Warranty¹**

Enjoy efficiency and long-lasting performance. The Digital Inverter Compressor intelligently adjusts operating speed in response to cooling demand and is backed by a 20 years limited parts warranty to give you peace of mind

SPECIFICATIONS		
Short Code		SRT3500B
Representative Model Code		RT31CG542AB1SA
EAN/Barcode		8806094933864
RRP		\$899
PHYSICAL SPECIFICATIONS		
Capacity (Net)	Total	305L
	Refrigerator	242L
	Freezer	63L
Product Dimensions (Net)	Width	600 mm
	Height	1715 mm
	Depth	647 mm
Packaging Dimensions (Gross)	Width	638 mm
	Height	1810 mm
	Depth	683 mm
Weight	Product (Net)	52 kg
	Product + Packaging (Gross)	57.5 kg
EXTERIOR		
Exterior Features	Door Handle	Recess
	Colour	Black DOI
	Display Type	Internal
INTERIOR		
Cooling Features	No Frost	Yes
	Multi Flow	Yes
	Cooling Type	Mono - Cooling
General Features	Refrigerant	R-600a
	Compressor	Digital Inverter Compressor
	Deoderiser	Yes
Refrigerator Features	Number of Shelf (Total)	3 EA
	Shelf Material	Tempered Glass
	Number of Vegetable & Fruit Drawer	1 EA
	Number of Door Pocket	4 EA
	Egg Container (Egg Tray)	Yes
	Optimal Fresh Zone	Yes
	Interior Light	Yes
	Active Fresh Filter	No
	Ice Maker	Twist
Freezer Features	Material of Shelf	Plastic
	Number of Shelf (Total)	1 EA
	Number of Door Pocket	2 EA
Smart Features	Wi-Fi Embedded	No
ENERGY		
Performance	Energy Consumption	272 KWh
Energy	Energy Grade	4 Star
