subject to conditions on warranty card

### Features

**Made in Germany**

**Deep Extended drainer tray**

**Polyethylene Seal and Sink clips applied.**

**Designer wastes included**

**Integrated overflow in main bowl**

### Benefits

Over 85 years of Stainless Steel know-how make Blanco one of the world leaders in sink manufacturing, which translates to superior products for your home

Taking it right to the edge! A generous drainer sizing allows an extended work area. Enables you to rinse, wash, stack, dry, sort, chop and dispose of waste utilising one sink.

This unique seal eliminates the risk of water penetrating the cabinet below. It is also bacteria resistant, anti-mould and anti-mildew and does not require additional sealant from the installer. Blanco provides 20% more sink clips than most other brands making this sink one of the simplest to install.

No need to purchase separately, sink ready for use when purchased.

No overfilling of the bowl, prevents damage to the kitchen
