**NATURAL MARBLE
EMITTING 30% MORE
FAR INFRARED THAN
ANY OTHER TYPE OF
HEATING ELEMENT**

CAUTION

- Don't do any modification to the heater.
- Children of less than 3 years should be kept away unless continuously supervised.
- Risk of burns. Some parts of this product can become very hot and cause burns. Particular attention has to be given where children and vulnerable people are present.
- Do not use this heater in the immediate surroundings of a bath, a shower or a swimming pool.
- In order to avoid overheating, do not cover the heater with clothing or any materials.
- The heater must not be located immediately below an electrical outlet.
- This heater has hot and arcing or sparking parts inside. Please do not place combustible or chemical items near the Heater.
- This heater is not equipped with a device to control the room temperature. Do not use this heater in small rooms. When they are occupied by persons not capable of leaving the room on their own, unless constant supervision is provided
- Do not use the heater outdoors.
- Always unplug the heater when not in use. To disconnect the heater, remove the plug from the electrical outlet.
- Connect the heater to properly grounded outlets only.
- Never use a damaged cord or plug.
- The total ampere ratings of the equipment plugged in should not exceed the ampere rating of the cord if you are using an extension cord.
- Do not run cord under carpet and do not cover cord with throw rugs, runners, or the like. Place the cord away from traffic area and where it will not be tripped over.
- Use this heater only as described in this manual.
- In order to avoid hazard due to inadvertent resetting of the thermal cut-out, this appliance must not be supplied through an external switching device, such as a timer, or connected to a circuit that is regularly switched on and off by the utility.

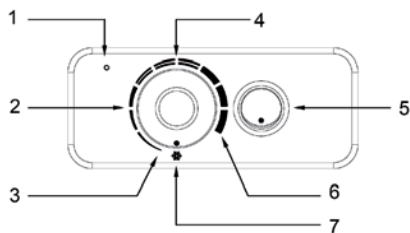

Product Description

Colour	Grey
Width	48 cm
Height	67 cm
Length / Depth	25 cm
Cable Length	1.8 m
Weight	11.3 kg
Product Type	Infrared Radiant Heater
Material	Aluminium
Construction Type	Freestanding
Special Features	Adjustable temperature, Infrared
Power Supply	220-240V~ / 50-60Hz

Control Panel

- 1 Heating indicator light
- 2 Temperature control knob
- 3 MIN position
- 4 Comfortable zone
- 5 Power switch
- 6 MAX position
- 7 Anti-Frost position

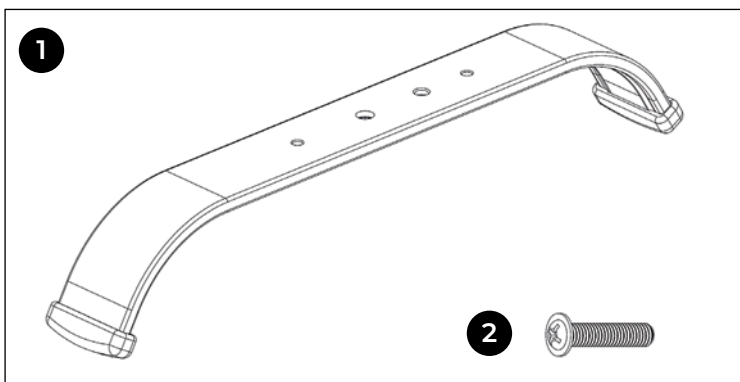

Installation

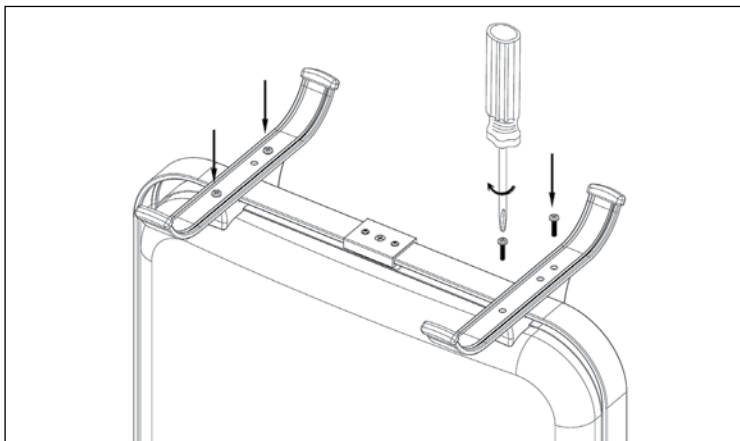

Carefully unpack the components and check that no damage occurred during transportation. If any damage is apparent or any component is missing, please contact the dealer immediately.

Installation Kit

- 1 Feet (2x)
- 2 Screw (4x)

Fix two feet on the bottom of the heater by screws.

Operation

- 1 Ensure that the Temperature Control Knob is at "Max" position. Also, make sure the power switch is at "OFF" position. Plug the power cord into a suitable electrical outlet.
- 2 Switch "ON" the heater.
- 3 Adjust the temperature control knob to set the room temperature. You can turn the temperature control knob in a clock-wise or anti-clockwise direction to increase or decrease the room temperature.
- 4 When the room temperature reaches the pre-set temperature the power will cut out and the heating indicators light will be "OFF" at the same time. The power will resume when the room temperature drops at least 3°C lower than the pre-set temperature.
- 5 Anti-Frost mode: It will keep the surrounding temperature above freezing point to avoid the pipe breakage by ice.

Care and Cleaning

NOTE: Turn off the unit, and unplug it from the wall outlet before maintenance or cleaning to avoid electric shock.

- Do not immerse the power cord and plug or the heater into water or other liquid. Do not pour water or other liquid over the heater.
- Use a vacuum cleaner to remove dust and lint from the metal grid of the heater.
- Wipe the heater with a dry cloth to remove dust and a damp cloth (not wet) to clean the stains.
- Do not use detergents, abrasive cleaning powder or polish of any kind on the body of the heater, as these can damage the finish.
- Store the heater in a cool dry place when not in use. To prevent dust and dirt getting into the heater, use the original box to repack the unit.

Hints on Disposal

According to the European waste regulation 2012/19/EU this symbol on the product or on its packaging indicates that this product may not be treated as household waste. Instead it should be taken to the appropriate collection point for the recycling of electrical and electronic equipment. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. For more detailed information about recycling of this product, please contact your local council or your household waste disposal service.

Warranty Card

WARRANTY PERIOD

3 years.

Vitality 4 Life is the global distributor and warranty provider of BioSari. Warranty registration and claims are handled by your local Vitality 4 Life Support Centre, details on the back cover.

Do not return the product to the store.

LODGING A WARRANTY CLAIM

Should you experience any issues with your product, please follow these steps to lodge a warranty claim:

1. Contact your local Vitality 4 Life Service Centre with the following details:
 - Your warranty details including name, email and phone number
 - Product name and model number
 - Product serial number, found on the rating label of the product
 - Explanation of how the damage occurred
 - Photos of the damage or issue is highly beneficial to expediting your claim
 - Vitality 4 Life will assess your claim and respond within 24-48 hours.
2. In the event the product is required to be sent to the Service Centre, the customer is liable for all packing, freight and insurance costs for transit of the product to Vitality 4 Life. Subject to the applicable consumer laws in your jurisdiction.

3. If the product, or one of its parts, qualifies for replacement or service within the 30-Day period after date of purchase, Vitality 4 Life will arrange the shipping at no cost to you.
4. Any product sent to a Vitality 4 Life Service Centre must include a Return Authorization Form. Failure to include this form may result in the product being rejected from our warehouse or a delayed service time.
5. Vitality 4 Life will contact you with a quote prior to undertaking any service work outside of the warranty coverage.
6. Typical turn-around times to address warranty claims can be between 10-14 business days, plus shipping, depending on location and type of damage or warranty claim.

TERMS OF PRODUCT WARRANTY COVERAGE

Vitality 4 Life provides the Product Warranty coverage as further described below and limited to the terms and conditions hereof:

1. If the BioSari Marble Infrared Heater exhibits a defect while in normal domestic use, within the warranty period; we will, at our option, either repair or replace the BioSari Marble Infrared Heater or defective part free of charge. The product must be delivered by insured mail, in proper packaging to your Service Centre as indicated on the back of the manual as a condition to any warranty service obligation.

Please register your warranty online at warranty.vitality4life.com within 30 days of purchase.

2. In the event that the warranty period for a product has expired, or if a product does not qualify for warranty service, repair or replacement, consumers may still buy replacement parts or have products repaired by one of Vitality 4 Life's Service Centres. Please contact Vitality 4 Life for further information.
3. Do not send the product back to the Service Centre without a Return Authorization Form.
4. In no event shall our liability exceed the retail value of the product. We make no warranty with respect to parts, from a source other than Vitality 4 Life.
5. In the event that warranty parts or products are provided, the customer must cover the related shipping costs to receive goods.
6. All exchanged or substitute parts and products replaced under warranty service will become the property of Vitality 4 Life. Repaired or replaced products or parts thereof will be warranted by Vitality 4 Life for the balance of the original warranty period.
7. (Australia only) Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

WARRANTY DOES NOT COVER

1. Damage, accidental or otherwise, to the Product, not caused by direct defect in factory workmanship or materials.
2. Damage due to abuse, mishandling, alteration, misuse, commercial service, tampering, accident, failure to follow care, operating and handling provisions indicated in the instructions.
3. Damage caused by parts or service not authorized or performed by Vitality 4 Life.
4. 'Normal' wear and tear that naturally and inevitably occurs as a result of normal use or aging.
5. Some states do not allow the exclusion or limitation of incidental or consequential damages. Therefore, the above limitations may not apply to you in the case of damage in shipment. If your product was damaged in shipment: Immediately report this type of damage to the parcel carrier and have them file an inspection report to contact the distributor from whom you purchased the New Name Blender for further instructions.
6. You have rights and benefits under the consumer laws in your jurisdiction. Without detracting from these rights or benefits, Vitality 4 Life excludes all liability in respect of this product for any other loss which is not reasonably foreseeable from a failure of this product, which may include liability for negligence, loss of expenditure associated with the product and loss of enjoyment.
