

# Oven, 60cm, 10 Function, Self-cleaning with Rotisserie

Stainless Steel

This stylish oven has even heat distribution and plenty of room to cook a number of dishes at once, as well as a self-cleaning function.

- Ten oven functions including Fan Forced and Pastry Plus
- Pyrolytic self-cleaning function breaks down food residue to make cleaning a breeze, with two modes
- With both a rotisserie and a meat probe to measure temperature accurately
- Plan meals seamlessly, with the ability to program cooking duration, or delay cooking

## DIMENSIONS

Height	595 mm
Width	595 mm
Depth	568 mm

## FEATURES & BENEFITS

### A function for all food

Ten cooking functions including specialised Pastry Plus, which help to get a golden brown pastry crust on the top and bottom.

### Simple cleaning

The pyrolytic self-clean function in either Eco or Super Clean mode breaks down food residue at a very high temperature, and a removable door and side racks makes a deep clean even easier.

### Clever accessories

Cook a Sunday roast for friends or family with the help of the clever rotisserie, which rotates your meat slowly, helping to keep your roast moist. Then, use the meat probe to accurately check temperature so you know exactly when it's ready.

### Safety features

Designed for safety, the outside glass of the oven door glass remains cool during cooking, and a non-tip shelf safety system as well as telescopic guides makes pulling out hot dishes easy. Also comes with a child lock.

### Everyday convenience

Everything from the soft-close door to the telescopic guides, or the ability to program cooking time or a delayed start has been thought-through for your convenience.

### Stylish design

A refined stainless steel design gives a modern finish to your kitchen, and matches with a Haier stainless steel gas cooktop.

## SPECIFICATIONS

### Accessories

Food probe	•
