### Features

#### Large Oven Capacity

At 84 litres, this large capacity oven will accommodate even the biggest of meals.

#### Triple Glazed Thermo-reflective Door

The triple layered door with thermo-reflective glass offers not only a cooler to touch surface but also increases the energy efficiency as the heat is retained within the oven.

#### Fully Programmable

The fully programmable touch control operation enables you to set the start and finish time of your cooking where the oven will automatically switch off when finished.

#### Catalytic Self-cleaning Liners

On the rear and sides of the oven, these self-cleaning liners means less time spent cleaning your oven. Catalytic liners absorb grease and dirt from everyday cooking, and then burn it off at up to about 230°C.

#### Black Enamelled Cavity

The oven is made so that it's simple to clean. The smooth black enamel is not only easy to clean but also resistant of acidic spills.
