# PHILIPS

sense and simplicity

# Highlights

## OptimalTemp Technology

OptimalTemp Technology always delivers one perfect setting for all your clothes thanks firstly to the Cyclonic steam chamber, and secondly to the Advanced Smart control processor

### 100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the temperature dial.

### 100% fast

100% fast on the toughest fabrics, no other steam generator is faster from start to finish.

### 100% safe

100% safe on all delicate fabrics (for example silk, cashmere, wool, polyester...) guaranteed. Independent testing institutes have used PerfectCare on the most sensitive ironable garments and they have confirmed the excellence of the ironing results.

### Tested and approved by experts:

Tested and approved by independent textile experts institutes

## Detachable watertank, 6 bar

1.5 litre detachable water tank for up to 2 hours of ironing without refilling.

## Easy De-Calc

Easy De-Calc, hassle-free and effective scale removal to extend the life of your steam generator.

## Lock your iron securely

Lock your iron securely and carry your steam generator easily.
