

We listened: you want to spice things up in the kitchen, but you want to keep things interesting far beyond the honeymoon period. That's why Titan is all about finishes that don't wear off. In fact, our metallic finishes are 15 times more durable than regular stainless steel.

1

Small single bowl

Our small single bowl is just perfect for butler's pantries, apartments or as a complementary sink with a larger main bowl. It can also be used for 'standard' kitchens and bathrooms. (Note: no room will be 'standard' with Titan).
